

**GENERAL AGREEMENT FOR ACADEMIC COOPERATION
BETWEEN**

**MICHIGAN STATE UNIVERSITY
College of Engineering
East Lansing, Michigan, U.S.A.**

AND

**GOVERNMENT COLLEGE OF TECHNOLOGY
COIMBATORE, INDIA**

The College of Engineering at Michigan State University and the Government College of Technology at Coimbatore, India establish this General Agreement to foster international cooperation in education and research.

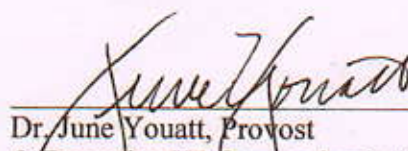

1. Both parties agree to encourage the following activities, in particular to promote international academic cooperation:
 - (a) Exchange of materials in education and research, publications, and academic information;
 - (b) Exchange of faculty and research scholars;
 - (c) Exchange of students;
 - (d) Joint research and meetings for education and research;
 - (e) Technical assistance;

Before these activities can be implemented, both parties shall discuss the problems involved to the satisfaction of each party and enter into specific activity agreements based on the mutually agreed objectives and outcomes of the relationship.

2. This General Agreement shall be applicable to educational and research organizations attached to each party.
3. This Agreement constitutes the entire agreement between the parties, and all prior discussions, agreements, and understandings, whether verbal or in writing, is merged in this agreement.
4. This Agreement is not considered to be a contract creating legal and financial relationships between the parties. Rather, it is designed to facilitate and develop a genuine and mutually beneficial exchange process/research relationship, and so forth.

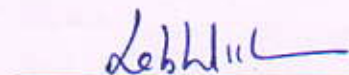

5. This General Agreement shall become effective as of the date of signatures of both parties. The Agreement may be amended by the written consent of the parties.
6. This Agreement should be reviewed every five years to evaluate the progress and the quality of the mutual cooperation. The Agreement may be extended for additional five-year periods upon the written consent of both parties. If the Agreement is not renewed by mutual consent, the Agreement will conclude at the end of the specified time period, or after activities in progress have concluded.
7. This Agreement may be terminated by either party with a minimum of 120 days written notice. Activities in progress at the time of termination of this Agreement shall be permitted to conclude as planned unless otherwise agreed.
8. Both institutions subscribe to a policy of equal opportunity and do not discriminate on the basis of race, color, gender, age, height, weight, marital or familial status, ethnicity, religion, national origin, or disability.
9. Each party shall designate a person or office to serve as liaison for implementing this Agreement. For Michigan State University, the contact person will be Mary Anne Walker, Director of International Engineering Programs, Dean's Office, College of Engineering, 428 S. Shaw Lane, Room 3511, 517.432.3536 phone, 517.355.2288 fax mawalker@msu.edu. For Government College of Technology the contact person will be Dr. V. Lakshmiprabha, Principal, Government College of Technology, Coimbatore- 641013, Tamil Nadu, India. Phone no: 0422 243 2221, Fax: 0422 455 230, E-Mail: principal@gct.ac.in

Memorandum of Understanding

Between

Government College of Technology

&

Hitech Concrete Solutions Chennai Pvt. Ltd.

This Memorandum of Understanding (MoU), executed at Coimbatore this 27th day of September 2017 between HCSCPL, a MSME Engineering company having its laboratory and office at 64, Galaxy Road, Ponniyamman Nagar, Ayanambakkam, Chennai- 600 095 (hereafter referred to as HCSCPL) represented by Dr. V. Rajendran , Director

AND

Government College of Technology, Coimbatore- 641 013 (hereinafter referred to as GCT) represented by Dr. Esther Annlin Kala James, The Principal.

WHEREAS,

- **HCSCPL** has been formed as a consulting company specialized in providing solutions to the various concreting issues through in-situ and laboratory testing. Its founders are structural engineers who have more than 20 years of experience in the various non destructive testing techniques as well as in concrete technology. **HCSCPL** is offering solutions to the construction industry in the areas of Concrete Technology and Non Destructive Testing for quality related issues. The Laboratory is established in top quality and spacious once space in the Ayanambakkam Industrial Estate in the outskirts of Chennai. It is important for a high tech consulting company to spend money on high quality once space.
- GCT is a reputed institution which offers many Engineering Courses in various disciplines.
- Pursuant to the various meetings held, the parties have mutually agreed to bring the familiarization of the current practices to the selected students of GCT.

- NOW THIS MOU WITNESSETH AS FOLLOWS:

The parties have mutually agreed as follows:

1. GCT and **HCSCPL** also agreed to carry out the following on mutually acceptable terms and conditions:

- Industrial Visits to the units of **HCSCPL** Date of visit and the batch size will be decided well in advance by mutual consultations.
- Guest Lectures by experts of **HCSCPL**.
- Joint seminars/workshops/conferences
- Joint Research Projects
- Joint Consultancy Works.
- Value Added Training for HR Development
- PhD scholars of GCT Taking their research in **HCSCPL** facility.
- Any other interaction on Mutually agreed terms

2. In turn , GCT has to extend the facilities available in the campus for organizing the technology upgradation programme like seminar, workshop and technical lectures.
3. HCSCPL allows the post graduate (Structural Engineering & Geotechnical Engineering) students to undertake project works in their company.
4. HCSCPL is also ready to provide research facilities for the research scholars in their factory as and when required.

This MOU shall be valid for a period of Three years from the date first herein above mentioned and shall be reviewed by both the parties for scope of work and progress made on an annual basis. In witness whereof, the parties to this Memorandum of Understanding have affixed their Signatures on the day, month , year , first mentioned above.
